■ Online German Courses in the Summer Holidays

Sign up now for our special price and learn German!

Will you soon be studying at a German university? Or do you just want to learn German? An online German course organised by DUO offers both: It allows you to improve your knowledge of German in a simple yet effective way and prepare for your stay in Germany as well – and that at considerably reduced prices.

These are your advantages:

- Your German course begins in your own four walls.
- You will be learning comfortably and flexibly via the internet.
- You will be gaining specialist and everyday knowledge necessary for your stay in Germany.
- Your personal tutor will give you intensive and effective guidance.
- You will be in contact with other students all over the world.

Here is how it works:

- Go to: www.deutsch-uni.com/summer
- Choose one of the courses and select a learning method (see discription over).
- Click «register» and fill in your name, your home university as well as the name of your *DAAD Lektor*.
- Access data and further details about your course will be sent to you.

By the way:

Other DUO courses are based on a special **ECTS curriculum**. For further information please contact:
